

Guidelines for the NCIA Agricultural Industry Scholarship

To be considered for the Nebraska Crop Improvement Association Agricultural Industry Scholarship, applicants must be current University of Nebraska students with at least sophomore standing. Candidates should demonstrate a strong interest in the agricultural industry and be pursuing a degree related to agriculture within the College of Agricultural Sciences and Natural Resources. Active involvement in relevant extracurricular activities related to agriculture will also be taken into account.

This scholarship provides \$1000, with funds deposited directly into the recipient's UNL account. The scholarship may be used for tuition or books.
