Wheat, Winter	3.50	17¢ /50# unit ³	May 1	December 1

¹ The field fee for all crops, excluding corn, is \$20 per field. Corn does not have a field fee.

² Sales Fees are due with the Production and Sales Reports.

³ Sales Fees are paid on all seed from inspected acres which was sold or used for planting purposes which includes seed planted on your own farm.

⁴ Disposition reports are due the year following production except for fall-sown small grains.

⁵ Sales Fees will be paid on the seed value at the first transfer of ownership and reported on a PLS basis.

⁶ Laboratory fees for tissue and plant analysis are not included in the acre fee.

* Quality Assurance and Certified acre fees and due dates are the same.

Annual Membership Fees are due January and a new membership first year fee is \$200 (except Associate).
